

# Need mechanic to fix Brakes on 98 Volvo S70 (Milford)

Location

New Hampshire

<https://www.genclassifieds.com/x-627031-z>

Mechanic needed to fix front brakes on 98 Volvo S70. Front brake hoses need to be replaced which I already have and possibly a brake line or 2. Looking to have done this weekend. System will also need to be bled of course. Please let me know if you interested and send me an estimate. Thanks for.
