Hi,  
Looking for an acoustic guitarist who likes to play 70's,80',90's tunes of multiple genres.  
Classic rock, rock, ballads, alternative, country and etc.

Soloist would be nice but not recommended.

Looking to form 60 tunes. Easy chord progressions for quick learning.

All charts will be on stands so musician will not have to memorize.

Background vocals are helpful but not a must.

Age bracket: 30-up  
Lead Singer is 46.

Night rehearsals: once every couple of weeks. 8-10pm / times may change.

Looking to play locally to start.

Both players have played professionally for many years.
