

Insulation Install in metal Building (Pittsboro)

Location **North Carolina**
<https://www.genclassifieds.com/x-627226-z>

Seeking Insulation Contractor, Crew or Individual to put up Insulation in a warehouse (1,600 sqft), already have all materials (screws and bands) and a scissor lift, the facility has 14ft ceilings.

This insulation would be installed over existing insulation and strapped with metal bands.

This is a relatively easy and simple job, however you need to know what you are doing. and we are looking for people who have done this type of job before.
