

1958 willys pick up (2000 USD)

Location **North Dakota**
<https://www.genclassifieds.com/x-627257-z>

Good shape,minimal rust. I hauled from Montana it has been in my family as long as I can remember. I thought I was going to fix it up but it seems like I have too many other projects. Has a wooden flat bed. Original in line 6 motor it is not frozen up. Was running 8 yrs ago but my cousin took some parts for his willys jeep. \$2000 bo.
