Measurements: Each doll stands 16 inches tall. A group of four (4) Shirley Temple porcelain dolls. All marked on the back with the hallmark Constance 98. On the sitting doll with the yellow dress, there is a tiny chip in the side of the leg. There is no other damage to any of the other 3 pieces, all are in excellent condition. I have no boxes, no paperwork or certs, for any of these dolls. These were all purchased on QVC, but none of the packaging or paperwork was saved. There are also 4 miniature dolls this collector had that match the dolls pictured. Not part of the same collection, but the similarities prompted me to include them with this sale. Price is for all the dolls, complete. Just the dolls, doll furniture is not included. Priced to sell! All REASONABLE offers considered.
