

159500 3br (20412 USD)

Location **Oklahoma**
<https://www.genclassifieds.com/x-627425-z>

This total renovation has all new kitchen (granite countertops, subway backsplash and self-closing cabinets and drawers) and new baths. There is a spacious living room, which features an amazing live-edge walnut shelf as a focal point. A very large extra living area/game/family room will give your family plenty of space! Easy-to-care-for laminate wood floors and tile are throughout. The utility room has tons of storage with shelves. There is a backyard out-building that has a storm cellar! (Always a plus in Oklahoma!!) There will be no shortage of parking with this long double driveway. Located just a couple of blocks from the elementary and middle school, on a beautifully spacious lot, with several mature trees! Call to schedule an!
