I am starting / forming a new classic rock band. Now I am not looking to form another "wedding" band that plays all the same sh#. I am looking for some serious musicians who want to be part of an EPIC classic rock band, playing the COOL classic rock, PLUS do our own original music, write, record, and maybe go on tour. - Guitarist Wanted (lead & Rythm)
- Vocalist Wanted (Male or Female)

I have a great rehearsal place (in outskirts of Pottstown)... PA system, mics, wireless mics, stands, lights, laser, rehearsal drums set up, my bass and amp of course, and lots of good solid connections in the business.

Reply to this ad with a little about yourself, along with your phone number.... I will call you and we can talk and maybe meet. Please only respond if you are able to rehearse, have your own instrument, have determination to succeed. Don't waste both our time if you are one of those who cannot show up or has a million excuses, this is not the place for you..... if you are serious, not an F# up, not strung out on drugs, have some talent.....
