We are 5 Shih Tzu Puppies, We are 3 boys and 2 girls, we are purebred and home-raised and ready for our new homes. We are 3 months old and are very lovable, love to play and eat puppy chow, do you have any puppy chow at your house? Now I hope we get this straight but we all kinda look the same except for Dolly and Wolfie so I will try and put their pictures up 1st.

Dolly is a girl, black and white, and is quiet the spunky puppy usually starting the games.

Wolfie is a boy, he is brown, sorta like the color of a Raccoon, a little darker in the face, very playful.

Tux is a boy, he is almost all black except he is white under his chest, he loves attention.

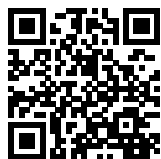

Paws is a girl, she is black with 4 white paws and white on her tummy, she is pretty quiet and cuddly.

Little Stinker is the last, he is black with a white stripe on his forehead, a white tip on his tail and a white belly on him too, he is a pretty funny puppy too.
