We are an established company that serves the Portland Metro and we do gutter cleaning, gutter screening, moss treatments, roof cleaning and treatments and pressure washing. I am looking for a mature, responsible and drug free individual to join us possibly part time (3-5 days) and moving into a permanent position. You must provide your own truck and ladders (24'-28') and we provide everything else. A valid Drivers License and a background check are required. This is a great job for the right people. Please send me your phone number and I will get back to you.
