I am looking to trade my motor bike for a mobile office. It need to be about 12x20 or about 200 square feet. I would like to stick a salon at my house and what to make it moveable in case I ever do move. It can be a.....job shack... coffee shop...a maybe a rv trailer (no leaks or rot) anything with an axel.

About my bike it is custom ... Red with flames 2006 Yamaha V-star 1100 ccVery low miles 3829. In excellent shape. Never been wrecked or dropped. I put on it...a lowering kit...luggage rack.... sissy bars....Cobra exhaust....flame mirrors....bigger foot pegs...windshield....side bags which come off when not in use...and a few other smaller things. It was a fair weather bike and has always been in the garage when not used. All it need is an oil change.

It gets 45 miles to the gallon...with a 4.3 tank. Beautiful bike! I will be happy to send you.
