Seeking someone nearby to Alberta district to turn rooms in my two Airbnb guestrooms. The rooms have their own baths and access to a full sized kitchen. Tasks include changing and washing sheets, making the beds, cleaning bathrooms, taking out garbage, light vacuuming, laundry, putting out clean towels, wiping down the kitchen and mopping the floor. The best fit is someone available between 11am and 3pm. I may only need you to come 1-2 times a week or sometimes a bit more. Please let me know in your response how far you live from Alberta Park, if you have transportation, your cell phone number, your minimum need for compensation per hour, if you can work only a few hours a week and your general.
