Location **Oklahoma**

2 year old Chihuahua spayed.
 Not good with small children. Is potty trained. she will wine at the door when she wants to go out. She will go on the floor if not taken out. She loves to cuddle. she gets along with most animals she plays with our cats and our German Shepherd. Her ideal home would be a stay home lady that will treat her like a princess that she is. My Mommy has no time for. :(
