STALLS AVAILABLE: stalls available for full board. Located in Rehoboth, we are a relaxed, no drama barn on 9 acres. 12x12 stalls each have their own dutch door, stall screen to outside, and stone dust individual run outs for inclement weather, or controlled turn out in case of injury/stall rest situation.

Barn manager lives on property, has a Equine business degree from JWU and has been riding since the age of 10. In addition to living on the property, we are protected with a 24hr a day surveillance.

Gorgeous custom made stall fronts by Lucas Equine Equipment out of Kentucky feature fold down yoke for socialization. Rubber pavers in a brick pattern down center aisle provide traction, and are comfortable for walking (for horses and humans!)

Our indoor wash stall features a textured cement floor to prevent slipping, and hot and cold water.

Grass pasture and hay is provided daily, and hay fed during inclement months in individual runouts

Brand new, regulation size dressage outdoor riding arena

Plenty of room to hack out after a ride around the property

COMING SOON: Currently under construction is our heated and A/C tack room, lounge, kitchen, and

bathroom!
