This low mileage, like new, beautiful, smooth riding Luxury model AWD (all wheel drive) Mercedes Benz E-350W4 with 4MATIC, Premium 1 Package with sunroof has a lengthy list of features. It is metallic steel gray with ash (light gray) interior. It has several extra features and value not usually found with the other used Mercedes E350s for sale. Includes four (4) WeatherTec floor mats that I added for \$300+. Recently serviced with new sensor/thermostat and new Mercedes Benz OEM battery.

This more expensive E350 LUXURY model is much classier, smoother riding and better appointed than the less expensive E350 SPORT model. This is the only Luxury 2010 for sale in the area and has lower miles than almost all available used 2010 E350s.

I purchased this certified vehicle used from Herb Chamber's Flagship Motorcars in July, 2013 for \$43,135 and had a \$800 Simonize GlassCoat finish applied. No need to ever wax or detail the exterior! I have only driven it 7,000 miles in 2 years! No accidents, non-smoker, very clean, well maintained and available immediately from me, a private owner in Newport, Rhode Island.

If you are looking for the best available 2010 Luxury Model E350 available anywhere, this is it at a fair but firm price of \$22!
