Hi:

thanks for reading my ad.

I am a senior. don't know much about this social media stuff, so I need some help.

I have a go fund me page and would like to put it on you tube so it would get more exposure but when I tried it said it was not the right format.

so I don't know what to do that's why I need your help.

since I'm disabled I need someone to come to my home and show me.

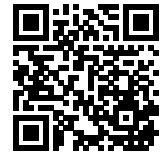

if you can help leave your name, experience, and phone # , and what you would charge.

thanks again

may Gpd bless
