

NEEDED Landscaping (small project) (Whitefish Bay)

Location **Wisconsin**
<https://www.genclassifieds.com/x-627664-z>

Need some basic residential landscaping after a new garage and driveway construction project. Want to restore the yard and fill-in where the concrete forms were placed.

**** NEEDS TO BE DONE BY AUGUST 21ST. ****

Project details -- it's a small area, about 20' x 40' in a backyard behind a patio:

- â€¢ Remove existing lawn -- will need a sod cutter or dug-up by hand
- â€¢ Remove existing small shrubs -- about 6-8 total
- â€¢ Re-grade lawn -- will need topsoil fill
- â€¢ Plastic edging and stone bed around one tree
- â€¢ Install new sod
- â€¢ Install weed barrier fabric and stone in rear/side of garage

Your responsibilities:

- â€¢ Provide all labor, tools and materials (except for stone, I have that)
- â€¢ Hauling away all debris and clean-up after you're done
- â€¢ Getting it done no later than August 21st
- â€¢ Be a capable, considerate person to work with
