

LAB MIX PUPPIES (Pilot point)

Location **Texas**
<https://www.genclassifieds.com/x-627677-z>

I have 5 boys and 1 girl available and all are the happiest most living pups, mom is a pure bred chocolate lab and dad is a German shepherd/ golden retriever
 Parents and pups can not be kept out of water!! They see it they are in it.
 Pups are quiet while in there kennel and love to play outside, been around chickens Ducks and turkeys and are fine as well as kittens.
 They are the happiest puppies ever,
 They have received 1st round of puppy shots and regular worming and completely weaned
 And socialized
 \$ one hundred and twenty five
 The GIRL IS THE BROWN ONE ALL THE BOYS ARE BLACK AND
