

Male Pinstripe Ball Python Juvenile (Mckinney,Tx)

Location **Texas**
<https://www.genclassifieds.com/x-627684-z>

Male pinstripe ball python juvenile for small rehoming fee. (\$100) comes with tank, under tank heater, two light fixtures, two water bowls, two hide spots, separate feeding tank, one thermometer, timer based powerstrip, spray bottle, mite medication (provent-a mite for enclosure, and reptile spray) animal has never had mites I just bought it when I first purchased everything and have never used it. Python is hand tame and is eating one large frozen mouse a week. This is a lot of equipment so I am firm on the rehoming fee. Animal must leave with supplies to ensure he is going to a good home.
