Aloha amigo! We're knee deep in building "The Tiki Torches" band! Wanna be a part of the action? We have a solid guitar/bass/drums trio to build on. Grab your ukulele or piano or marimba and let's play!

If you're interested, please email us and include your playing experiences, your city and availability. Include any other details that you think may be a helpful addition to a "tiki themed lounge act."

If you'd like to hear the trio, check out our youtube video: <https://youtu.be/ussqO5-xKXo>
