Want to spend your weekend cleaning?? Wouldn't you rather be relaxing and enjoying your clean home? Let me do the dirty work for you! I have expanded my schedule to provide more opportunities to help others with their homes..."Cleaning SOLUTIONS" offers affordable, customized, detailed, thorough, and trustworthy cleaning care for your home! I have a couple of openings in my schedule for weekly, biweekly or monthly new clients...

If you are looking for regularly scheduled cleanings, or you just need a one-time big clean-up, you've found the right person for the job. I am a licensed, one-owner-operated, Virginian, small businesswoman with ten years worth of satisfied clients available for references that are like family! I also have a Bachelor's and a Master's Degree in Fine Art from Virginia Commonwealth University, I even designed my own logo, so your home will look absolutely fantastic with an educated approach to cleaning and final presentation! Your cleaning can be one where everything is cleaned, from ceiling to baseboard and everywhere in between, or we can customize a routine to suit your needs, even if your needs change every time! Your possessions and privacy are given the utmost respect. Your home is treated with a caring, perfectionist's eye for detail, cleaned with appropriate materials - antibacterial in kitchen and bathrooms - or I can use your preferred products. We will work out a cleaning routine that meets your needs, but generally, everything in your home is completely dusted, bathrooms and kitchen scrubbed, furniture polished, mirrors wiped and floors are wall-to-wall vacuumed with an allergen reducing, double HEPA filtered Dyson DC65 vacuum - which is a must for homes with children, pets, or anyone with allergies! All products used are environmentally friendly and safe.
