No diagnostic fee and no need to deal with downtown/short pump traffic! These prices outline my normal repairs but are not limited to the work I am available to do. I have rebuilt a few hundred laptops for resale, have my BS in Forensics and a SUNY degree from Syracuse, and repaired laptops and computers for 6 years while attending Syracuse/VCU through Fall 2010. Since then, computer repair has been my mainstream.

Thanks

I also work on and repair the iPhones, iPads, Galaxys, LG's G2, ect. Please send email indictating what you have and what your issue is. Devices like these I will give individual estimates for. Like an iPad 2 screen/digitizer would be \$80 total.

Multiple computers or issues receive a 10-15% discount and jobs not listed please inquire for pricing.
