

Professional amp Affordable Photographer

Location **Virginia**
<https://www.genclassifieds.com/x-627739-z>

Professional photographer at competitively reasonable prices. Available for all occasions, short notice okay as long as I am not booked and willing to travel for small compensation. Weddings, engagements, senior portraits, newborn sessions, anything and everything you want artfully and professionally captured to keep with you forever.

All sessions are flexible and there are no ridiculous rules that some other photographers implement whenever they turn their camera on. The session is yours and I will do what is necessary within reason to make it the best.

All photos are edited and given to you copyright free on a USB for your own personal use. High quality prints may be ordered from my website or if you prefer you may order your own from the images I give you. Scenic portraits are also for sale on my website if you are interested.
