Looking for 1 driver!

Competitive pay... hourly wage, + tip, + spiffs (% of materials sold, % of insurance sold)...

MVP Moving is a newer company that is eager to grow our team...

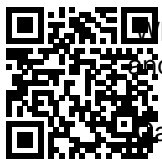

This is a family business and all the employees are tight, once you start with us it will virtually be up to the crews to see if you will continue with us or not. Chemistry with the team is key in this industry and the workers/crews are wanting to work with people that actually work.

This is tough work, however after a couple weeks it does become much easier.

MUST HAVE AT LEAST 6 months to a year driving experience
or
if you don't have the experience you must be HUNGRY to work and make money!

MUST HAVE for driver position and application:

1. CLEAN BACKGROUND CHECK (NO FELONIES)
2. 3 YEAR DRIVERS ABSTRACT (I WILL REIMBURSE YOU, \$13.00)
3. Drivers license and social security card.
