I'm Katherine, I'm 16 years old and I love kids! I've been baby sitting since I was 13. I love the outdoors so I'm always good with taking kids to the park, swimming, anything outdoors. I love taking my sister and her friends to the science zone and to anything at the library such as their summer reading program. I'm also great with babies, I'm very attentive and have babysat kids 6months and younger. I'm getting CPR certified this year at school even though I do already know a lot of it from hanging around my grandma while she's teaching her CNA classes. I can drive, I don't smoke, and I'm a pretty easy going.
