

# Fuel tank from 2006 Chevy 2500 diesel (100 USD)

Location

Wyoming

<https://www.genclassifieds.com/x-627847-z>

Up for sale is a stock fuel tank from a 2006 Chevy silverado 2500hd with the duramax diesel. I replaced from my truck with less that 5000 miles for a larger stock placement. I was holding onto in case I needed it for my truck. I sold the truck and the part is no longer needed. It is brand new condition. I will add picture or can send them to you asap. Want to sell asap call me with an offer.

Call me at 307 four two one 4278. Thanks
