WHAT MY CUSTOMERS SAY:

"We used Mike and his crew for our move to Indiana from Hendersonville, and they did a very good job loading the truck and following us up there, unloading the truck, and everything made it safely. They went above and beyond any movers I have ever used! I would not hesitate to use them again, for sure." -- Vincent R.

"I called Mike on short notice, I was in a bind; he gave me a great price and loaded my things with care and unloaded and set them up with care. He's reliable, strong, CONSIDERATE, and has a good personality (unlike other movers I've had). Outstanding Customer Service! I will be a repeat customer." -- Tisha H.

"Mike did a GREAT job. He had to fix a mess from other movers I hired. Great Service--on time, very reliable. I know now who to call next time I move. EXCELLENT!!!" -- Brenda C.

"Mike and his helper did a GREAT JOB WITH MY UNLOAD LAST FALL! They were professional and quick. I will definitely use Mike and his helper again when I move next time. I HIGHLY RECOMMEND HIM and his help." -- Sarah H.

"I SWEAR I will never use a regular moving company again to move or to relocate my stuff. It was worth every penny to call in professional help to do the heavy moving of my furniture. Mike and his two helpers unloaded my pods in no time and were VERY PROFESSIONAL! Flexible with my time schedule (next-day service), unloaded my items into the rooms where they needed to go... I'll definitely use Mike and his team for my next move." -- Erin C.

"They did a great job, showed up on time, did professional work, and all for a great price! I would HIGHLY RECOMMEND THEM, and I will definitely use them again; AND spread the word to others I know for work they need done. QUALITY work from Mike and his helper." -- Brian M.

"Mike has worked for me twice and he's been on time, is very courteous, hardworking, and him and his son both have done a professional job and took care of my furniture." -- Sam T.

"Mike and his son relocated some furniture in our home--GREAT PEOPLE! GREAT PRICE!
I Highly Recommend them." -- Mark C.

"I got a professional move from Mike and his helper. Excellent service and very polite." -- Robin H.

"We hired Mike and his son to move our sister and mother a couple of years ago. They were on time and VERY SKILLED MOVERS! Repeat [customers]: almost 2 months ago. We ourselves then moved, and we called them back and they again did a professional job, just as they did the first two times." -- Brett and Candace J.

"Mike moved some heavy equipment for me and did an excellent job. I'll be a repeat customer." -- Dennis H.

"Mike and his team were on time, did the job for a good price, took care of my fragile items when loading and unloading them, plus other furniture as well. AWESOME JOB!" -- Jean C.

"Mike and his helper were a last-minute call for us. We had just moved from Texas and needed someone to unload our truck ASAP. Not only did he and his helper show up on time, they showed up 10 minutes early, to be exact. They unloaded our moving truck at a very fast pace and put everything in the rooms they were asked to, with no complaints of moving it around again. We will definitely call on Mike when we move again. They did a great job! Highly recommended." -- Barry and Kathy H.

"Prompt and incredibly respectful! Both Mike AND his help were wonderful to work with! I highly recommend their services, and I WILL be using them again, next time I move." -- Taylor A.

"Mike and his son are EXCELLENT workers. I have used them twice. They never complain, work nonstop, and treat your things and home with the utmost care. This is my seventh move and they are the best help I have ever had move me. I HIGHLY recommend them and I will definitely use them again. Side Note: Mike planted some trees for me as well. Did a great job with that also..." -- Chris S.

"Mike did a great job, as did his son. I called three companies on [this site], and they wanted an outrageous price; on the fourth call, Mike gave me a fair quote. They were on time, promptly loaded the truck, followed us to unload it (they weren't in a hurry, unlike most!); he had a job to go to afterwards, but he fit us in. The unload was FABULOUS! They did an error-free unload because the truck was packed GREAT! And all belongings were SAFE! Just a professional job altogether. I will be a repeat [customer] and spread the word as well." -- Kay F.

"Mike and his helper have worked for me twice. They helped me with a washer and dryer (even hooked it up). They moved a bedroom suite as well. DID AN EXCELLENT JOB both times! I will call them again a third time, when I need help. A+ Job!" -- Wanda S.

"Mike and his son were worth so much more than their fee; wish I could have paid them more! They came on short notice, worked in the rain, loaded all my furniture, then followed to unload it. They were On Time, Kind, Courteous, Hardworking... Best move I've had (and I kid you not!). I HIGHLY recommend them. I will use them again for other moves and small projects." -- Ty L.

"Mike arrived at my house [and] had to get a crew together himself. He [was doing] a moving job for a company (53' van line company going to California) I hired, who hired him because the driver had no help worth a darn--the help he brought was horrible! The moving company was bad as well. I sent [those guys] home before Mike came. Mike and his crew wrapped and packed all my expensive furniture, kept on working and doing a better job than the "pro" van line company, and loaded the truck as well. He was the TRUE professional or it would've never got done. I would definitely use him again if I needed to. HIGHLY RECOMMENDED HERE! GREAT JOB COMPLETED." -- Carol S.

"P.S. The van line driver and helpers got less done and spent more time than Mike and his crew [did]. Mike called in good help when the others left! They worked fast and carefully in less hours to get finished."

"Very Hard Workers! Mike and his son took great care of my furniture; [they] moved a couch for me and relocated some other furniture in my house." -- Amber D.

"Mike and his crew packed and loaded my entire 3900 sq.ft. home and what a great job he and his 3-man crew did--a Full Move that went smoothly! I will be a repeat customer. HIS SERVICES ARE HIGHLY RECOMMENDED...." -- Mike L.

"Mike & Son did some moving for me awhile ago. They were Top Rate, Fast, Courteous and Very Professional and very reasonably priced. I will use them again for moves or other projects. I HIGHLY RECOMMEND THEM." -- Terry P.

"Mike helped us out tremendously. We got all the small things, but we had a lot of heavy things left [to move]. He came on time, [was] very nice, respectful, and him and his son DID AN EXCELLENT JOB! We couldn't have done it without them. Great Service, Great Rates! Very Professional." -- Fatima K.

"I used Mike and his moving services to move my daughter. He and his helpers were very helpful, fast, kind, efficient and affordable, as well as careful with her belongings (he packed the truck very well; we were heading out of Nashville). I would use him again [and] also highly recommend others [use his services] as well." -- Sue A.

"I think using Mike and his crew was the best choice me and my wife made as far as choosing movers. We called him at the last moment and he responded immediately, and exceeded all our expectations. Highly Recommended!" -- Jerry M.

"Mike made the impossible POSSIBLE! We had to move on very short notice (13 hours to be exact). He made a spot for us knowing we had to be out of the house within 24 hours (our other movers did not show). He brought two movers with him and got me and my family out of the house Quick! They/he handled our FRAGILE things with care and moved all of our heavy furniture (3-bedroom/2-bath house) [from] every room with care as well. He was polite (!), on time, courteous, and very professional. When he said he would be here, he was here, and got us packed, loaded and on the road. I highly recommend him and his movers." -- Sharon B.

"Mike and his mover did a GREAT JOB! moving my furniture out of my home for a Wood Floor Refinishing. When they returned nine days later, after the floor was complete, they were Very Helpful in placing the furniture where I needed it, to protect the Brand New Floor from any damage at all. If and when I need any of his services again, I [will] certainly have him return. EXCELLENT WORK!" -- Mark C.

"Mike and his team of movers did exactly what they said they would do, and they got the job done quickly and pleasantly. And when they got stuck in traffic and were running a little late, Mike called to communicate and let me know. . . . I will be a repeat customer." -- Lisa W.

"Mike and his helper showed up right on time. They worked very hard and steadily, were careful . . . no damage. We will definitely use Mike and his team again!" -- Russell N.

"Mike and his help were GREAT! Very Prompt, Courteous and Knowledgeable. We moved from Nashville to Birmingham, Alabama, and they loaded the truck, and nothing broke [or] shifted at all during the drive [there]. We highly recommend him and his mover(s) for your moving needs." -- T.J.L.

"Mike and his helpers were great! They were worth way more than they charged. We moved from Las Vegas. They paid attention to boxes that said 'fragile' or needed

special care (unlike other movers). They listened to everything we said and worked start to finish without taking a break. Best of all, they treated us like a member of their family. Highly recommended!" -- Stacey W.

"I called Mike to help me unload a truck of fragile antiques . . . he showed up on time and did a GREAT JOB! of helping me unload them and place them where they go. I Highly Recommend him." -- Bill Y.
