Our company needs someone very good at re-designing a website. Even more important, we need someone who could enable the website we already have to sell our products. The products are major commodities and in high demand. We need on line presence. Many people are looking for our food products but cannot find them or do not even know they exit. Your job is to make sure they know where to find us.

The commodity we have is so popular and in high demand. We deal in raw food commodities used to make unprocessed beverages.

You can earn in addition to monetary compensation cash incentives for volume of commodity sold thru the on-line sales..

Please send resume and cover letter.

Thank you
