

AVERAGE MALE WANTED FOR EROTIC SOLO (RI)

Location **Rhode Island**

I am looking for an average, amateur male model to photograph in the nude for an erotic solo. I am looking for an average to good-looking guy. I will compensate you at the rate of forty/hr. The male form has always fascinated me. I often dreamed of being an erotic photographer/videographer. You MUST be between the ages of eighteen and thirty-five. I prefer VERY MASCULINE men who have NATURAL BODY HAIR that has not been shaved anywhere, but that is not a deal breaker if you have shaved. You should be slim to average build (a LITTLE extra weight is OK). I do not care about the size of your manhood, one way or the other. I am doing this for fun, so you certainly do not need to have the looks or body of a supermodel. You should be comfortable with your body though and willing to take direction from me as far as poses. I am looking for regular guys, but I certainly will not turn down someone who looks like an A&F model, but the rate remains the same regardless of a person's physical appearance. I will host at my house and will pick you up if you need a ride. IN THE FIRST EMAIL, please include a very clear, current face shot, your age and stats. I will reply and then we can exchange first names and cell numbers. It is important to note that your anonymity will be strictly maintained and images are for you and me to view ONLY.

I am MALE thirty-five, VGL, living in Cumberland. I am five feet ten inches, one hundred and sixty lbs., dark brown hair and
