Hello!
I do affiliate marketing with several different offers and we currently would like 5 people to assist our company get bigger. We are going to be offering $100 for you to aid us by assisting us to utilize your facebook account to advertise our products.

? ?
1) We utilize your facebook ads account and it must be active. If you have facebook and don't even know you have an ads portion to your account than you likely have one.
? ?

? ?
2) You will need to setup a time with me to start your advertising account. This service never will mandate that you give us any of your passwords.
? ?

? ?
3) After we setup your account, your job is completed. We pay you $100.00 via paypal.
? ?

Drop a line to me for more details. The only important information we need is your account zip code/name to to start. We just have space for 5 accounts, for that reason first come, first served.
