---

You get the same as the Religious except, prices may vary a bit  
After the first year, you can eliminate the upkeep by us and maintain it yourself or not.  
If we maintain, it is 99.99 per year  
If you wish to just keep the hosting, it is 39.99 a year

Note\* The reason for the difference in price is that almost every theme a church would use is basically prebuilt and takes a lot less time to get set up and go live.
