Hi

We are new to the area but not to the industry.

We MOVE you without all of the frivolous charges.

We don't charge you per hour.....per man.....

We don't charge you for appliances because they are something most people have. How are they "extra"?

We put together anything we take apart. We don't charge extra to take beds apart ..etc

We don't have fuel charges nor mileage fees.....(for local moved under 40 miles)

Best of all we have large enough trucks that most moved require one trip. If a second trip is needed I prorate the truck into four sections.
