

## Bose Solo (225 USD)

Location Vermont https://www.genclassifieds.com/x-628094-z

Bose Solo TV sound system. I paid over \$400.00 for this system and it sounds great but my living room is to small. Its really made for a larger room because its full of sound. I'm asking only \$225.00. Look it up online, you will see this is a good.
