Selling our 2014 Mazda 6 due to just not driving it anymore. Just figure someone might as well own this one that will use it. It's just collecting dust in our garage. No mechanical issues at all. Other than the picture of the original window sticker, we have added a dealer installed remote start. Has Bluetooth, navigation, backup camera, blind side warning, and more.. Owner is non-smoker.. Car was just detailed.. Tires are like new. \$16,900 OBO
