Hand-peeled and handcrafted in the USA by our skilled craftsmen and craftswomen. Our furniture and chainsaw carvings are the perfect addition to your home or cabin! True rustic beauty can't be imitated... And Great Northern Logworks offered the real thing! Real logs, real lumber, locally harvested in the Montana mountains that surround us. We use dead (usually beetle-killed), dry timber that the big mills don't want.

Choose from one of our established collections, or let us personally craft pieces to your individual tastes. From unbelievably simple and affordable to inspired rustic gnarly; we provide rustic beauty for all budgets. Furniture comes in pine, blue pine, and aspen. Our chainsaw carvings come in ponderosa pine.

Here's an example of our pricing:

- Montana Lodge Queen (pine log bed) with lacquer: \$295
- Montana Pioneer Queen (pine log bed) with lacquer: \$425
- Gnarly Aspen Queen log bed with lacquer: \$1,100
