Hello my name is Christy. I am a stay at home mother of a baby and a 6 year old. She gets along great with all ages. Im trying to help some parents out and also have more children around my home for play mates. I am available for full time, part time, overnights, after school, whatever works for you. I am very responsible and love children. I am a home owner in the neighborhood of Charwood which is near Fish Hatchery Rd. I love to do arts and crafts and all types of age appropriate activities. I have a fenced in back yard. I keep my home very clean and i would provide all meals and snacks. Prices are very affordable and i look forward to hearing from you.
