

# All rides a dollar fifty per mile (Columbia and beyond)

Location

South Carolina

<https://www.genclassifieds.com/x-628182-z>

Need a ride call Dan at all rides are 1.50 per mile anywhere you wanna go at anytime day or night.

The only thing that I ask is if you know that you're going to need a ride after midnight if you can call ahead and reserve that time that would be great because I do this all alone and everybody's gotta sleep sometime so again if its going to be after midnight that you need to be picked up let me know ahead of time thank
