The Views on the Cumberland offers a premier location that is easily accessible to all of the areas of Nashville! We are tucked away directly off of I-40 off the Charlotte Pike Exit and I know you will LOVE not only living in our cozy community, but seeing the refreshing, beautiful view we are named for.

Each floor plan is designed with a very spacious and open living and dining area, receiving plenty of natural light. You will also be very impressed with the size of the closets and bedrooms! We are loaded with beautiful apartment home interior features, so you will also enjoy the contemporary light fixtures, wood style flooring, a designer paint scheme, stainless steel & black appliances!

Washer and dryer connections are available in select apartment homes and we are very pet friendly.

Also, for your comfort, The Views on the Cumberland provides some sweet amenities!
