Save space when packing using these compressible travel bags. Just put in all your clothing, seal the bag, and squeeze the air out. You now have double the space!

For this price, you are getting:

2 X-Large (L: 37.5 in x W: 23.5 in) - Orange

4 Large (L: 27.5 in x W: 19.5 in) - Blue

4 Medium (Two of these are: L: 23.5 in x W: 15.75 in.) - Green (The other two are: L: 23 in x W: 18 in)

2 Small (L: 20 in x W: 13.75 in)

All have instructions on them, and I believe the ones with colors can be vacuumed for greater compression (so eight out of the twelve).

The deodorant is there to give you an idea of the varying sizes.
