

Timex Mens T2P1339J Elevated Classics Watch with Brown Leather Strap (25 USD)

Location Utah
<https://www.genclassifieds.com/x-628277-z>

This is a Timex Men's T2P1339J Elevated Classics Watch with Brown Leather Strap. It retails new for \$35. It is a really nice watch with tan leather, light blue accent around a dark crown, copper colored dials, a date window, and indiglo lighting. I have worn it very few times (no more than five) and found that I'm not a watch person so it is in like new condition.

Mention something about this post in your email, otherwise I will just think it's spam and delete.
