

Powerhouse 3100 Watt Inverter Generator (975 USD)

Location **Utah**
<https://www.genclassifieds.com/x-628279-z>

3000 Watts continuous / 3100 Watts surge
 One 5-20R 20 amp duplex receptacle; one L5-30R 30 amp twist lock receptacle
 Built-in hour meter to track the total run time
 Continuous run time 5.6 hrs at full load; or 13.1 hrs at 1/4 load
 Factory installed swivel wheels and pull handle for maximum maneuverability
 Remote electric start to 75-feet away
 Internal circuit breaker, fuel gauge, automatic low oil shutdown and emergency stop control
 Dimensions: 20.5"H x 17.8"W x 23.6"W
 EPA, CSA, CARB, ISO, IC and FCC compliant

3000 watts of continuous power, 3100 maximum power from its powerful 6.8 HP, 4-stroke engine. The PH3100Ri delivers the extra power needed to start and run a 13.5K RV air conditioner, while inverter technology makes it safe enough to power delicate electronic equipment. Remote electric start, 4 factory installed wheels and a fold-down pull handle for maximum convenience. Engine power can be set to run at variable speed for fuel economy or at constant speed for full power.

New in the box Never used \$975.00
