

Mac Extension Cord (6 USD)

Location **Utah**
<https://www.genclassifieds.com/x-628287-z>

This is the extension cord that came with my Macbook Pro Retina 15" from 2012.

I maybe used it once or twice, but it is essentially new.

Mention "extension cord" or something from this message in your email, or I will just think it's spam and delete.
