So I have an apartment in lake side right off Chamberlayne. 64west and 95 are literally 5 min away. Everything is pretty cheap the rent is 325 a piece and less than 100 a piece for the rest of the bills. I live by myself so I'd like to move someone In to help with bills. I don't care if it's a guy or a girl really. I'm laid back and pretty easy going. If you need anymore information or would like to come by and see the place just text me or call me..
