I live in a two bedroom two story brick house in the Fan and I am looking for a roommate. It has a washer and dryer in the basement and dishwasher in the kitchen. Utilities average \$100 to \$200 a month. It is very convenient to Carytown and the VMFA, quite the ideal location. I have a young cat named Satnam. I am self-employed via my small construction company.
I play a Djembe drum and enjoy yoga.
