

My Credentials: Father of 6. Ex police officer. Current substitute Schoolteacher. Ex Little League Baseball coach. Bachelors of Social Work degree, Southern University, New Orleans. 15 hours and practicum short of Bachelors in Child Psych. Early Childhood Education associates degree earned, but not applied for. Have self-practiced civil law on all three levels. Grandfather of one. Trained in three forms of theraputic interventions; Rage Reduction, Confrontational, and Play. I have 42 years of experience in working with children and families. (Starting at age 14 as a camp counselor.)

My Operating Principle: "Guide, supervise, teach- but make it look as if you're not!"

Thoughts: Supernanny is wonderful....television. What happens when she's gone? Where's the consistency that children must have, to grow into emotionally stable adults? Personally, she's brilliant- for that 47 minutes she's on film! Think of me as, "super-MANNY" (LOL)- with the benefits of consistency! I am also just "conceited" enough to think that if I had been present, the world would never have heard of the Columbine shooters!

Work Ethic: I am very old-school in my outlook toward the rearing and supervision of children. This is not to say that I am a Luddite, but there's a time and a place for technology. Right now there's a time and place to take away the devices during classroom work. I have worked with up to 100 children at a time, and the best way to be experienced has been to lead in my 56 years and also being a very well read and wrote man. I am the WISDOM needed to be needed. I may not be the smartest, but I am a Grader, not a Tutor, but I am a teacher. I SER the world, having been a PARENT, and I give my life over a life to other folks who are in it for me. I am a KNO... I am a stake with a point.

Other qualifications: I am also willing to work as your Personal Assistant. I know how to cook, clean house and organize. I also have extensive experience in research and practice, child development, teaching published writing. I am NOT a lawyer. I also am a mama with minor household repairs.

References: I only have one (that I trust to be honest) will admit that I have not done this sort of work since the late 1970s, and most of the people with whom I worked are either grown or dead. Further, as a Social Worker, am pretty sure that the Ethics of my profession DO NOT allow me to divulge their past family lives and problems. I welcome any background check that you would wish to perform.

Teacher	

Salary Requirements: I will require room and board, \$1000 relocation expenses, and \$1500/monthly. I am also asking a \$200 interview fee, as I will have to travel. This is not, "engraved in stone", but I do believe that there are few people out here in Modern America who are willing to put in the time and effort that it takes to rear stable and self-confident children- and I expect to be compensated for my experience, knowledge, and wisdom.

Thank you for reading this, and I hope to serve you and your family in the future. Feel free to contact me with any other questions you may have. Email users, Please put, "Captains Courageous", in your subject line; as this is Craigslist, I am sure you know that spammers and scammers abound. I can usually tell, but.....
