Lucy is a small white/tan Cairn Terrier. Approx. 15 lbs. I updated her picture, this is more what she would look like now. Her ears are erect and she has a short tail. She does NOT have her collar on. She became missing around 9:00 pm Thursday April 2nd and was last seen running down Guthrie Rd towards Sunset Ave. If you find her, she will come to you if you stand still and call her to you.
