I got this ring back in December of 2014. I have no use for it anymore because the person i got it for does not want it anymore. There is nothing wrong with the ring. I bought it from Kay Jewelers inside the south hill mall in Puyallup. I would prefer we meet at a Kay Jewelers so they can verify that the ring im selling is real and it is from them. I have the receipt to show you its a legit ring and the jewelers can verify it for you too. The wedding ring is 3/8 Round 14K white gold with a .40 ct Diamond. The band 10K white gold with .24 ct diamonds. The rings alone cost \$1260 and i am only asking \$800 OBO. This is a deal! No low balls please. No trades. Cash only. Make me an offer and i just might accept it. I want to get rid of this ring ASAP. Call or text
