OBO... Power Mac G5, dual core prosseser 2.5Ghz.
 This is in vary good shape it is in factory reset and come with mouse and key board. It coast extra for moniter just ask. I'm selling it because in getting a newer model but this is really good home work computer, or for school. Text me at

It's in great condition used in smoke free room and it only has a little ware and tare but nothing really visual. 250 obo best
