

Event Interns Needed Immediately (Richmond)

Location **Virginia**
<https://www.genclassifieds.com/x-628483-z>

My company seeks four interns who are interested in pursuing a career in theater, marketing/event planning, hospitality/food and beverage, advocacy and entertainment to produce an event the second weekend in September. Must have strong organizational, planning and communication skills. Must also have strong social media skills. Each intern will specialize in one of the previously mentioned areas. Must be able to jump right in. Potential to work on other projects designed to educate and enlighten the community. An awesome volunteer opportunity with perks!

This is to assist with producing a gay friendly event. You must be comfortable working with the queer community. NO HOMOPHOBIC people! Artists and theater people strongly encourage to apply.

Please respond with the area you would like to work on. This event is over two days. The main event will run for hours.
