I spent 12 hours on the four wheeler looking for my little girl. At this point I am certain that someone had to have seen her and picked her up. Please, please everyone share in hopes that we can bring her home. We are getting married in a few weeks and "the kids" were walking down the aisle with my little girl. She is a part of our family and we are all beyond devastated. We are offering a \$500 reward to the hero her brings her home!
