## **Female Rabbit (Carpenter)**

Location **Wyoming** https://www.genclassifieds.com/x-628532-z

Purebred Silver Martin female rabbit, Daffadill, one year old. Special breed from Iowa. No papers.

Very pretty blue coloring. She's gentle but too big now for the grandkids to hold, compared to the mini lops we use to have.

Rabbit and cage for \$50 OBO. Call and leave message if.
